

Offers for **Volunteers**

Come volunteering at amiga!

Who we are

amiga is the central contact point for **international professionals, graduates and students** seeking to shape their future career in Munich. As a communal project, amiga supports talents from all over the world with various consulting services and event offers - hand in hand with strong partners from the areas of education, labour and economy.

What we want

Improve the career opportunities of our target group and support them in entering the Munich job market.

With amiga a Win-Win-Win-cooperation!

Who we are looking for:

Experts who can provide information and know how on all aspects of job entry in Germany to our target group:

- HR managers & recruiters,
- Managing directors and CEOs,
- Coaches & consultants,
- Specialists,
- and all, who enjoy working with amiga and our participants

Our formats for you:

- **Expert Week:** brief consultations & application documents check
- **Seminars:** presentation on a topic of your choice related to the job entry
- **Success team:** workshop for a small group on the topic of applications
- **Job Buddy:** individual support of the participants regarding their career entry

We are also open for your suggestions on other topics and formats!

Our offers for you

- Flexible choice of topics and time management
- Support and training
- The opportunity to meet people from different cultures
- Network meetings and exchange with other volunteers and the amiga team,
- Expense allowance of 30 Euro per input.

Are you interested?

We are at your disposal if you have any questions about your area of expertise at amiga.
