<https://www.roberthalf.de/>

Schleich - Toy Industry

Schleich GmbH, headquartered in Schwäbisch Gmünd, is one of the best-known toy manufacturers in Germany, with locations in the USA, France, Great Britain, Spain and Japan. The manufacturer of lifelike, hand-painted animal figures made of hard rubber using the injection molding process employs 450 people worldwide. Schleich is the seventh largest toy supplier developed in Germany, behind Lego, Playmobil, Hasbro,

Mattel, etc. <https://career.schleich-s.com/eng>

SimScale – SaaS + Engineering

SimScale was founded in 2012 by David Heiny, Vincenz Dölle, Johannes Probst, Alex Fischer, and Anatol Dammer. Having a bigger vision in mind, SimScale started off as a consultancy, and further led the founders to a new vision that allowed them to utilize their simulation knowledge. In 2011, when cloud-computing was not yet as mainstream as it is today, they had the idea to create a simulation platform that allows every engineer in the world to get access to simulation. Thus, SimScale is a production-ready SaaS application for engineering simulation. www.simscale.com

Starnberg (city of) – Municipal Administration

Starnberg is a district town with around 24,000 inhabitants, located around 30 km south of Munich. The city of Starnberg employs around 380 people in the town hall, daycare centers and youth leisure facilities, a music school, a library, the Lake Starnberg Museum, the seaside resort of Starnberg, as well as in the depot and the company's own waterworks. In addition to our team, we are looking for motivated, reliable and committed employees who want to shape the future of the city of Starnberg with us.

Servicestelle zur Erschließung ausländischer Qualifikationen (counselling of recognition)

If you have a foreign qualification and live in Munich or in the S-Bahn area, we will advise you on the possibilities of recognition in Germany.

<https://stadt.muenchen.de/service/info/abteilung-migration-integration-teilhabe/10308039/> + <https://stadt.muenchen.de/en/info/counselling-on-recognition.html>

Weiterbildungsinitiatoren

“Weiterbildungsdinitiatoren” are professional advisors who provide important information on further education offers and alternatives to companies and employees. They also answer financing questions. Together with the employees, the company or the works council, goals are defined and further training concepts are developed. The further training initiators also accompany the implementation of the further training measures.
