

amiga Career Coaching for Internationals

Start your career with us in Munich!

The **amiga Career Coaching for Internationals** is an offer for highly motivated amiga participants, who

- are about to enter the labour market
- have already completed the necessary formal framework conditions such as visa, residence and work permit, recognition of certificates (if necessary)

Our goal is to support you with an **individual coaching when you are about to enter the Munich labour market.**

amiga Career Coaching for Internationals is right for you, if you

- are open minded and willing to reflect on yourself
- want more clarity about your goals
- would like to be more aware of your strengths and weaknesses and want to expand your scope of action
- need tips and assistance in the application process
- have a high level of motivation, you actively participate in meetings and you are able to meet a deadline
- attach importance to respectful and appreciative interaction

Our offer

- Brainstorming / analysis for starting a job in your industry
- Application documents check
- Support in the analysis of job advertisements
- Preparation for interviews
- competency-based coaching
- Approx. two consultation appointments per month plus support if required (total duration: approx. 6 months)
