Gain Practical Experience

Test yourself!

Don't be afraid to apply for student internships and jobs in your field!

Gaining professional experience as a student has many advantages:

- **There are many vacancies for students**
- **You learn which job profile suits to you**
- **This experience helps you to find a good job quickly after your studies**

If you are not from the EU:

Please clarify with the Munich Foreigners Office (KVR) in good time whether you are allowed to work while studying.

Networking

More contacts = more chances!

Be proactive and don't be shy:
You need contacts for your daily life as well as for your career later on!

Tip: Everyone likes to chat in front of the coffee machine or beverage dispenser. Social media (FB, Instagram, LinkedIn and Xing) are good to get in touch.
